Filling out an application does not guarantee a coaching spot for the season!

ADDITIONAL INFORMATION:

Have you ever been convicted of a crime?

Yes No

If yes, when, where and nature of the offense: _____

(A conviction will not automatically bar you from a volunteer placement. Any convictions will be evaluated with respect to the offense, the date of the conviction, and the sentence imposed. All circumstances will be considered in determining volunteer placement.)

VOLUNTEER STATEMENT:

I certify that the information provided in this questionnaire is true and complete to the best of my knowledge. I agree that any falsified information or significant omissions may disqualify me from further consideration for volunteer placement.

I hereby authorize a thorough investigation of my past employment, education, volunteer activities and a criminal background check. I agree to cooperate in such investigations and release from liability and responsibility all persons and businesses requesting or supplying such information.

I understand that my volunteer activities at the JCC do not constitute or create an employment relationship with the JCC. I acknowledge that my participation in JCC activities is completely on a volunteer basis and that I will not receive compensation for my voluntary participation. If, however, my relationship with the JCC is ever deemed an employment relationship, I understand that employment at the JCC is at-will and for no definite duration may end at any time, for any reason, and that no agreement to the contrary is binding unless made in writing and signed by me and the Agency's Executive Director. If I am ever deemed an employee, I agree not to commence any lawsuit relating to my employment or the termination of my employment with JCC more than six months after the date of termination of such employment and to waive any statute of limitation contrary to this six-month period.
